Safety Guidelines Explained

Whitfield County Recreation is committed to returning to action with a common-sense approach to ensuring safety at our facilities. We have outlined several safety recommendations for all attendees and encourage they follow these guidelines to the best of their ability. Below is similar information as noted on page 1 with some additional explanation of the safety policies.

**** If you are experiencing fever or symptoms of illness of any kind, please do not enter facilities ****

Teams, Players, and Coaches

- Minimize player and coach contact by eliminating handshakes and high fives
- Use others means of celebrating and team sportsmanship at the end of a game
- Use social distancing guidelines when on sideline
- No team water coolers permitted

Patrons, Fans, and Parents

- Wait outside the facility until 10 minutes before game time or a text from your coach with clearance to come in
- Siblings and kids not participating must sit with guardians
- Practice social distancing from non-family members while watching the game.
- Wash/sanitize hands regularly

Officials

- Must practice physical distancing when possible
- Pre-game meetings are allowed, but physical distancing is required
- If officials area is available, practice physical distancing. Hand Sanitizer will be available.

Staff

- Wash/sanitize hands regularly
- No handshakes with staff, players, coaches, and attendees; practice physical distancing
- Encourage all attendees to practice physical distancing at facilities
- Create one-way entry and exit gates where possible
- Restrooms must be sanitized every two hours and re-stocked with anti-bacterial hand soap
- Must wear Face Mask when social distancing is not applicable
